

How to Co-Register with GradLeaders Career Network Partners

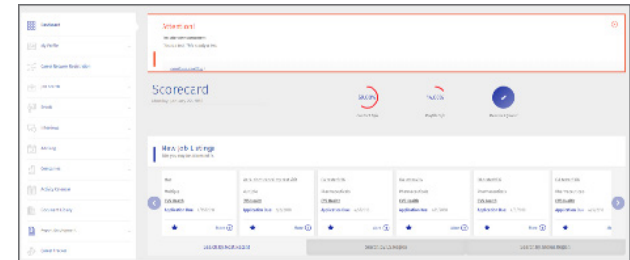

1

Visit your school's career services website, **log in** and **complete your profile**, or go to the **dashboard**.

2

If you're not automatically prompted when you log in or want to return later to co-register with GradLeaders Career Network partners, you can return at any time by visiting **Career Network Registration** in the main navigation.

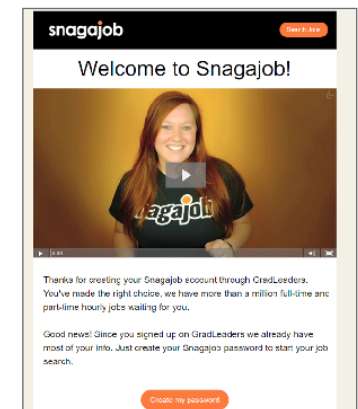

3

Click the check box to the left of each network partner to indicate co-registration selections then **Save**. If you do NOT click save, you'll continue to receive the prompt each time you log in.

4

You'll receive a confirmation email from each network you indicated interest in. Follow the email prompts to input any additional profile information then start exploring jobs.

It's that easy!
